Using the Wimberly monopod gimbal [Is This The Best Monopod Head Ever? \(backcountrygallery.com\)](#)

Wimberly gimbal head [Wimberley Professional Photo Gear - The Wimberley MonoGimbal Head \(tripodhead.com\)](#)

Lightroom plugin "Show Focus Points" [Show Focus Points Plugin for Lightroom \(lightroomfocuspointsplugin.com\)](#)

Norman : Anyone has experience in taking landscape/flower picture and simulate Fujifilm Velvia/Kodak Ektachrome?

From Audrey B : You might want to check out DXO film pack 6 plugin for light room or DXO photolab. I don't own it but I've heard good things from others

[DxO FilmPack - Magic of analog in the age of digital](#)

From Anita Oakley : screen shot of profiles - try Adobe Landscape. Much more like Velvia

From Dennis Fritsche : Nik Collection [Nik Collection 6: The world's favorite photography plugins \(dxo.com\)](#)
